A photograph of three people in a meeting. A woman with glasses and a striped shirt is on the left, a man with glasses and a yellow shirt is in the center, and a man with glasses and a tan shirt is on the right. They are all looking down at something out of frame. The background is a plain wall.

Proposal Outline

07 Next Steps

08 Summary

Introduction

GDP Consultants specializes in providing tailored accounting solutions for freelancers, startups, and e-commerce businesses.

We leverage advanced technology and a team of experienced professionals to streamline your financial operations, reduce costs, and ensure compliance with local and international regulations.

This proposal outlines our comprehensive suite of services, demonstrating how we can help you achieve your financial goals and focus on growing your business.

Our Services

GDP Consultants offers a comprehensive range of services tailored to meet the unique needs of diverse businesses.

Service Offerings

Outsourced Accounting

Streamline financial operations with comprehensive accounting solutions.

Task Automation

Leverage cutting-edge tools for efficient and accurate accounting.

Specialized Services

Tailored solutions for startups, freelancers, and e-commerce businesses.

Why Choose Us

Unmatched Expertise

Our team of experienced Chartered Accountants brings over 13 years of expertise in financial management, auditing, and compliance, ensuring your financial health is in capable hands.

We provide tailored solutions that match the specific needs of freelancers, startups, and e-commerce businesses, ensuring you get the precise support you need to thrive.

We leverage cutting-edge software like Xero, QuickBooks, SAP, and MYOB, delivering efficient and accurate results and saving you time and resources.

Outsource your accounting tasks and reduce overhead costs associated with hiring an in-house team, allowing you to reinvest those savings back into your business.

How We Work

We prioritize a collaborative approach, ensuring a seamless and transparent outsourcing experience.

Process Steps

Initial Consultation

Understand your business needs and challenges through a free consultation.

Customized Plan

Develop a tailored solution that aligns with your goals and budget.

Implementation

Set up systems, onboard your data, and train your team if needed.

How We Work

We prioritize a collaborative approach, ensuring a seamless and transparent outsourcing experience.

Process Steps

Ongoing Support

Provide continuous monitoring, reporting, and advisory services to ensure success.

Case Studies

Real-World Success

We have a proven track record of helping businesses thrive. Our diverse range of clients benefit from our expertise and tailored solutions.

We helped an e-commerce store automate invoicing and inventory tracking, reducing errors by 25% and saving over 15 hours per month in administrative work.

We built a robust financial model for a tech startup, enabling them to secure \$500,000 in seed funding with detailed revenue forecasts and expense breakdowns.

We assisted a freelance graphic designer with tax planning and compliance, optimizing their deductions and ensuring timely filing under Sri Lanka's new VAT rules.

Pricing Plans

We offer flexible pricing plans to suit businesses of all sizes, ensuring affordability without compromising quality.

Pricing Options

Basic Bookkeeping

Monthly bookkeeping, bank reconciliation, and basic financial reports.

Startup Package

Financial modeling, budgeting, cash flow management, and tax advisory.

E-Commerce Solution

Sales tax compliance, inventory tracking, cash flow management, and automated reporting.

Pricing Plans

We offer flexible pricing plans to suit businesses of all sizes, ensuring affordability without compromising quality.

Pricing Options

Custom Automation

ERP implementation, custom dashboards, and process optimization.

Next Steps
